

MAD Academy

Music and dance and a whole lot of fun!

Hi,

Thank you for your enquiry about MAD Academy. MAD Academy classes for preschool children are bursting with energy and fun! Each week we combine lively music and dance, with carefully structured learning, designed for the specific age and developmental stage of your child.

We sing and dance to lots of popular songs which you will already know, as well as a few new funky ones of our own. Children are introduced to a wide range of music, whilst being given the chance to explore different rhythms, musical instruments and musical styles. Dance and movement are key elements of every session and we play lots of games which are guaranteed to be fun and motivational!

"MAD is by far the best child's music and dance class I have been to. Each week, different songs and activities. A wonderful, fun and energetic class!" - Penny's mum.

As well as ensuring each child has a fantastic time, we give them the opportunity to develop confidence, motor control, physical co-ordination, and social skills, whilst learning to express themselves creatively and encouraging their natural passion for music.

Children are accompanied by an adult and we hope you will enjoy the opportunity to share some fun time with your child. At MAD we believe in a free-spirited approach to learning which means that if your child doesn't want to join in an element that's fine. The ethos at MAD Academy is a relaxed and fun time for the children and this will, we hope, rub off on you! Come and experience it for yourself!

Enclosed are details of classes in your area, and some information about what you can expect from a class. If you have any additional questions, please don't hesitate to call or email.

If you would like to book for the term, or half term, please return the booking form together with payment. I will contact you as soon as I receive your booking to confirm your place is secured.

I look forward to introducing you to the magic of MAD Academy!

Yours sincerely

Sarah Cox

A fun, free-spirited class specially designed to captivate your child

MAD Academy is a mixture of high-energy music and dance combined with carefully structured learning. This gives your child an opportunity to develop motor skills, co-ordination and confidence, as well as giving them the chance to explore different rhythms, musical instruments and musical styles. The ethos at MAD Academy is a relaxed and fun time for the children and this will, we hope, rub off on you! We enjoy a free-spirited approach, which means that if your child wants to run (or crawl) off and explore for a while, that's fine.

MAD Academy aims to make you and your child feel welcome as soon as you step through the doorway. We use lots of popular songs, which you will already know, as well as a few new ones of our own. Don't worry, you won't be expected to join in if you don't know a song, in fact you can choose not to sing at all if you prefer not to. But songs are just a small part of the class; there are many other elements too.

Classes include:

- Dancing and movement
- Songs and singing
- Instruments to play and explore
- Educational games involving listening and music
- Responding to and creating rhythm patterns
- Exposure to a wide variety of styles of music
- Motor and co-ordination development through games and activities

'My daughter absolutely loves MAD Academy and gets very excited when I remind her about it. She loves the freedom in class to get up and dance if she wants to or sit on my knee. We've tried lots of classes and MAD is our favourite.' Mum of Eve (22 months).

Whilst being fun and free-spirited, the curriculum at MAD Academy also aids development; physically, emotionally and intellectually. It is based around the Foundation Stage Early Learning Goals – defined by the government.
